Dear Mr. Waters,

The District is in receipt of your the California Public Records Act request, received in our Office November 4, 2019, for records related to millimeter wave scanner tests with the TSA.

The District is in the process of reviewing its files for documents that are responsive to your request. This letter will serve to advise you that, to the extent the records you have requested exist in the District's custody and are not legally exempt from disclosure, they will be made available to you.

The District estimates the documents, if any, will be available by November 29, 2019.

We will notify you of the availability of the records and the cost associated with providing copies to you.

Sincerely,

A handwritten signature in cursive script that reads "Patricia K. Williams".

Patricia K. Williams
District Secretary
